## **THE WISDOM OF PLANTS HERBAL APPRENTICESHIP PROGRAM**

### **Registration Information for All Levels**

Each Level blends herbal theory, assignments, hands-on experience, and outdoor work. It includes all materials, except for optional books.

**Meals and Accommodation:** **Level 1** includes your meals and snacks. **Levels 2 and 3** also include accommodation for camping or a few spaces for sleeping dorm-style in the house, on a first-come, first-serve basis. You may choose to drive to and from the city of Ottawa instead of stay locally. There are also several hotels in the Wakefield area and camping is available in Gatineau Park, Lac Phillippe, if you book it early enough.

This program, at any Level, requires your commitment to attend all classes for the duration. You have the option to continue upon successful completion of a Level but it is not mandatory.

**Time:** **Level 1** - We begin daily at 10 am and usually finish by 4pm, except during our short growing season, when we may go to 5 or 6 pm. **Level 2 or 3** We begin daily at 10 am and usually finish mid-afternoon, take a relaxing break and reconvene after supper for a short time. We are usually finished between 4 and 6 pm Sunday.

**Cost:** The fee for each Level is \$1,350 (with 5% GST of \$67.50 = \$1,417.50).

**How to Register:** The number of participants is limited in each level, in order to secure your space, please print-out and mail (or drop to my office – see Registration Form) your \$100 non-refundable deposit as soon as you can. The deadline for Levels 1, 2 and 3 is two weeks before the first weekend, unless you have made other arrangements with me. Be prepared to pay in full or bring cheques postdated throughout the year on Day 1 as your payment for the course. This information will be sent to you in your Registration package, which includes directions to the site.

**Cancellation Policy:** There is no cancellation policy for any Level of this program. If you register and show up for Day 1, then you are expected to attend all the course dates. Since all of the dates are given well in advance, there should not be, and normally are not any problems scheduling attendance. This includes if you move out of the area after starting the course as has happened to some of my students over the years. Then you are expected to travel to complete it as they have. If there is some sort of drastic change in a participants' life, I may offer a partial refund but not for simply changing your mind, no matter what the reason may be.
